SIGNAGE DESIGN
DESIGN & PIC PROJECT

DESIGN & PROJECT COORDINATION

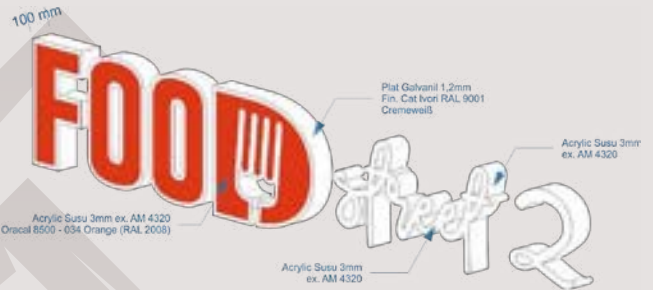

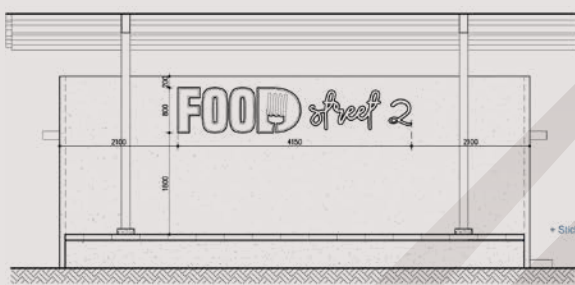

In 2017 FWD is the biggest project ever. I work in a signage contractor, like making light patterns and rear structure, to electrical diagrams, by using CorelDraw.

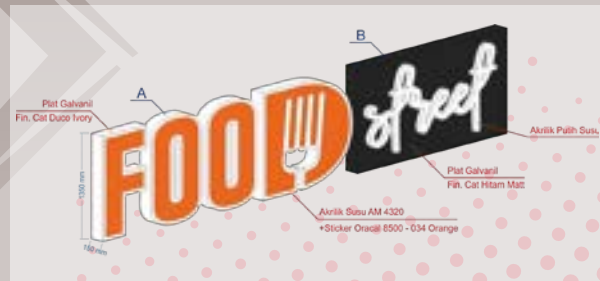

In making the signage I coordinated with design planning and production and installation team. With 1 sky signage and 2 podium signage make the building at this SCBD number has become an icon in downtown Jakarta.

DESIGN & PROJECT COORDINATION

This Pullman Mandalika hotel is located in Lombok was the last project I ever worked on, ITDC's project is one of the hotels & resorts that support facilities on the mandalika lombok circuit, in this project I fully trusted to handle the project from making shop drawings, working methods, in charge of production, up to coordination with contractors design (BENTUK) and contractor building (WIKA) in the field.
